# After the Concert (A2 · English A2)

## Tekst / Transcript

**Maria:** Good morning, Ben. How was the concert last night?

**Ben:** It was wonderful. The hall was full and the audience was very happy.

**Maria:** Who played? I only know old songs.

**Ben:** A young band. They play rock music, so it was really loud.

**Maria:** I prefer quiet music. I listen to classical music at home, like Bach.

**Ben:** My father is the same. He also loves jazz and old trumpets.

**Maria:** Nice. Was the singer famous?

**Ben:** Yes, she is a big star now. Everybody knows her name.

**Maria:** Did she sing her new song?

**Ben:** Of course. That song was a big hit this summer.

**Maria:** I think I heard it on the radio.

**Ben:** Probably. The stage was small, but the lights were beautiful.

**Maria:** Was the room dark before the show?

**Ben:** Very dark. Then one red light came on and people shouted.

**Maria:** That sounds exciting. I want to go next time.

**Ben:** Let's go together. There is a musical in the city next month, with songs and dancing.

**Maria:** I read a good review about it in the newspaper.

**Ben:** Me too. My phone is old, so I read it on paper.

**Maria:** My phone is old too, but I like my cell phone.

**Ben:** Mine is broken. Anyway, one scene in that show is very funny.

**Maria:** Then we must buy tickets today.
