Tekst / Transcript

Anna: Good morning, Tom. The sun is warm today.

Tom: Yes, it is lovely. I like this beach.

Anna: Look at that big ship on the water. It is very white.

Tom: It comes here every Saturday. It takes people to the island.

Anna: Can we go too? I want to sail with them one day.

Tom: Of course. The tickets are cheap in spring.

Anna: Let's sit here. This flat rock is a good seat.

Tom: Careful, it is a little wet. Give me your bag.

Anna: Thank you. Oh, look, the sun is starting to rise over the hill.

Tom: It is beautiful. I take a photo every time.

Anna: My sister has a photo like this in her room. She loves the sea.

Tom: Is she the actress? I saw her on TV.

Anna: Yes, she had a small role in that new film.

Tom: She played a queen with a golden crown, right?

Anna: Yes, and an old man played the king .

Tom: The costumes were very nice. I liked the big red hats.

Anna: She kept one ring from the film. It is gold and very round .

Tom: That is a nice gift. Can I see it later?

Anna: Sure. Now let's ride our bikes home. I am hungry.

Tom: Good idea. I want soup and bread.
