Questions at the Café (A2 · English A2)

Tekst / Transcript

Emma: Hi, Ben. Can I sit here?

Ben: Sure. I am just working on my survey for school.

Emma: That sounds interesting. What do you ask people?

Ben: I ask them about food and drinks. I have twenty questions.

Emma: Can you ask me? I have time now.

Ben: Great. Do you like sweet food, like cake and chocolate?

Emma: Yes, I love cake. But I don't eat it every day.

Ben: Good. My next question is about coffee.

Emma: I drink coffee in the morning. I like it strong and thick.

Ben: That is a funny answer. Most people say the opposite.

Emma: Maybe I am a bit strange. My friends say that too.

Ben: No, you are fine. Now, please look at this paper.

Emma: What is this small picture? A star?

Ben: It is a symbol for "healthy food".

Emma: Oh, now I understand. It looks nice.

Ben: Thank you. My teacher gave us a target of fifty people.

Emma: Fifty? That is a lot. How many do you have?

Ben: I have thirty. I need twenty more this week.

Emma: I can send a text to my friends. They will help you.

Ben: That is very kind. One more thing.

Emma: Yes?

Ben: Do you know the term "organic"?

Emma: Yes, I do. My mother uses that word a lot.
