A Day at the Zoo (A2 · English A2)

Tekst / Transcript

Mia: Good morning, Ben! Are you ready for the zoo?

Ben: Yes, but my shoes are wet from the rain. I need dry socks.

Mia: We can wait for you at the gate. Take your time.

Ben: Thank you. I want to see the big brown bear first.

Mia: Me too. My little brother loves the monkey in the tree. It is very funny.

Ben: Look, there is a small green frog near the water!

Mia: Oh yes, I see it. It is jumping. Now it is quiet again.

Ben: The keeper is here. She will feed the animals at eleven.

Mia: That is nice. I like watching that part.

Ben: Careful, there is a big spider on the wall.

Mia: Wow, and its web is huge! It goes from the door to the window.

Ben: I am not afraid of that little insect. It is smaller than my hand.

Mia: I am a bit afraid, but it is fine.

Ben: My mother has a snake at home. It is a strange pet.

Mia: Really? My dog is easier. He only wants food and walks.

Ben: Look at that old car by the shop. One wheel is missing.

Mia: Yes, and someone put the washing on the fence to dry.

Ben: This zoo is a funny place. I like it a lot.
