After the Village Race (A2 · English A2)

Tekst / Transcript

Emma: Hi Sam! Was the race good today?

Sam: It was great. I ran the whole five kilometres.

Emma: That is long. Who was the winner?

Sam: A girl from my school. She was very fast.

Emma: Nice. Did you finish too?

Sam: Yes, I did. My legs hurt now.

Emma: Last year your time was worse than this year, I think.

Sam: True. This year I trained a lot.

Emma: Wow, that is really good news!

Sam: Thank you. My friend Leo had the worst day of all.

Emma: Why? What happened to him?

Sam: He fell near the old wooden bridge.

Emma: Poor Leo. Is he okay now?

Sam: He is fine, but his knee is not working well.

Emma: My wish is a fast race for him next year.

Sam: Mine too. He usually likes to cycle to school with me.

Emma: Yes, I often see you both on the road.

Sam: I waited for him while he talked to the doctor.

Emma: That was kind of you.

Sam: The doctor helped him lift his bag into the car.

Emma: Good. Do you have the photos yet?

Sam: No, not now. My sister will send them tonight.
