# Camping by the Lake (A2 · English A2)

## Tekst / Transcript

**Tom:** Anna, is this bag yours? It is very heavy.

**Anna:** Yes, sorry. I put two books and a big pot in it.

**Tom:** My bag is light, because I only have clothes.

**Anna:** Can you help me? I need support with this tent.

**Tom:** Of course. Hold this side and I will push the poles in.

**Anna:** Look, the lake is right there. This place is ideal for a camp.

**Tom:** I agree. The water is quiet and the trees are beautiful.

**Anna:** The ground here is nice and soft. We will sleep well.

**Tom:** Good, because my back hurts after a long walk.

**Anna:** Walking with a bag is hard physical work.

**Tom:** It is. But now I feel great.

**Anna:** The sun is going down. There is not much light now.

**Tom:** I have a lamp in my bag. I will get it.

**Anna:** Thank you. And it is extremely cold tonight.

**Tom:** Yes, take my blanket. You can cover your legs with it.

**Anna:** That is much better. Listen, what is that noise?

**Tom:** Maybe a wild animal, but small. Don't worry.

**Anna:** Okay. Let's make tea and sit by the fire.

**Tom:** Perfect plan. Tomorrow we can swim in the lake.
