A Plan for the Summer (A2 · English A2)

Tekst / Transcript

Anna: Hi Tom! You look happy today.

Tom: I am. I had a nice dream last night.

Anna: Really? Tell me about it.

Tom: I was in Spain. I could speak Spanish very well in it.

Anna: That sounds nice. Do you want to go there?

Tom: Yes. That is my new goal for this summer.

Anna: Good. But Spanish is not easy.

Tom: I know. I have some ability for languages, I think.

Anna: You do. Your English is brilliant.

Tom: Thank you! I study one hour every day.

Anna: One hour is more than average. Most people study ten minutes.

Tom: I want to be ready. I hope the trip is not too expensive.

Anna: Cheap flights come in May. That is a big advantage.

Tom: True. My choice is a small town near the sea.

Anna: Nice. Can I come too?

Tom: Of course! I can arrange a room for two people.

Anna: Perfect. We need a good arrangement about money.

Tom: We can pay half and half. Is that okay?

Anna: Yes, that is fine. One more condition: no work emails.

Tom: Deal! And no phones at dinner.

Anna: Now you have my full attention.

Tom: My plan is based on one simple idea.

Anna: And what is that idea?

Tom: Sun, sea, and no alarm clock.
