Shopping With Maya (A2 · English A2)

Tekst / Transcript

Maya: Hi Leo! I need new clothing for the party.

Leo: Good idea. This shop is nice and cheap.

Maya: Look at this blue shirt. Do you like it?

Leo: Yes, I do. But one button is missing here.

Maya: Oh, you are right. I take the green one then.

Leo: The green shirt is very attractive on you.

Maya: Thank you! Now I need shoes too.

Leo: Do you want black shoes or white sneakers?

Maya: I want the white ones. They are comfortable.

Leo: You also need a belt for those trousers.

Maya: True. My trousers are a little big.

Leo: Here is a brown one. It is not expensive.

Maya: Perfect. And I have warm socks at home.

Leo: Good. The party is in a cold garden.

Maya: I know. But I still want to look nice.

Leo: Your appearance is not the only important thing.

Maya: I agree with you. My personality is more important.

Leo: Yes, people love you because you are funny and kind.

Maya: Thank you, Leo. Now let me buy some jewelry.

Leo: More rings? You have many rings already!

Maya: I know, but I follow fashion every season.

Leo: You are a real character, Maya. Let's go home.
