The New Apartment (A2 · English A2)

Tekst / Transcript

Anna: Hi Tom! Welcome to my new apartment. Come in, please.

Tom: Thank you. Wow, it is very big and bright. But you have almost no furniture here.

Anna: I know. I have only a bed and two chairs. I want to buy more things next month.

Tom: That is fine. A new home takes time. Where do you put your clothes?

Anna: I put them in the closet in my bedroom. It is very big, and I love it.

Tom: Good. And this floor is nice. Is that a new carpet under the table?

Anna: Yes, my mother gave it to me. The colour is warm, and the room feels soft now.

Tom: The room is a little dark today. Can you turn on the lamp?

Anna: Of course. Now I can see your face. Look at the wall behind you.

Tom: Oh, a big mirror! I can see my hair, and it looks terrible.

Anna: You look fine. Come to the kitchen. I want to make a cake.

Tom: Great. Do you have an oven for the cake?

Anna: Yes, but it is very old. It works slowly, and the cake is never ready on time.

Tom: Then we can cook soup on the stove instead.

Anna: Good idea. I have vegetables and butter in the refrigerator.
