A Trip to the Hills (A2 · English A2)

Tekst / Transcript

Anna: Hi Tom! Where do you want to go this summer?

Tom: I want to visit the forest near my aunt's village. The trees are beautiful there.

Anna: That sounds nice. Is it far from your city?

Tom: It is two hours by bus. My aunt has a small house there.

Anna: I love summer. It is my favourite season.

Tom: Me too. But sometimes the heat is too strong for me.

Anna: Yes, the temperature is often thirty-five degrees in August.

Tom: Then I sit under a tree and drink cold water.

Anna: Do you walk in the mountains too?

Tom: Yes, we walk up a small hill every morning. It is not high.

Anna: And what do you see from the top?

Tom: I see a green valley with a little river. It is very quiet.

Anna: I want to see that! I like quiet places.

Tom: You can come with us. My aunt likes visitors.

Anna: Thank you, Tom. My family goes to the coast this year.

Tom: The sea is nice too. Do you swim every day?

Anna: Yes, in the morning. The water is cold but clean.

Tom: Is the climate good there? Does it rain a lot?

Anna: It is warm and dry. We see one small cloud in the sky sometimes.

Tom: That is perfect weather for a holiday.

Anna: In the evening we look at the moon and the stars.

Tom: I love that. The night sky is my favourite thing.

Anna: My brother says he wants to live on another planet.

Tom: Really? Our Earth is beautiful. I stay here!

Anna: I agree. But I never want to visit a hot desert.

Tom: Sand and no water? No, thank you!
