Windy Day by the Water (A2 · English A2)

Tekst / Transcript

Mia: Good morning, Ben! Look at the sky today.

Ben: It is very grey. I think rain comes soon.

Mia: Yes, the wind is strong. My hair is a mess.

Ben: Mine too. Do you still want to walk?

Mia: Of course. I like the fresh air here.

Ben: We can sit on the grass near the old tree.

Mia: It is wet after last night. Let's stand.

Ben: Look, the sea is very rough today.

Mia: The boats stay in the harbour. Nobody swims.

Ben: One wave hits the wall and the water flies up.

Mia: That is a bit scary. Let's stay far from the wall.

Ben: My father says a storm comes tonight.

Mia: Then we go home early. I do not like thunder.

Ben: The air here is clean. In my city there is a lot of pollution.

Mia: Yes, the cars and factories are terrible.

Ben: Here I can breathe well. I feel happy.

Mia: Next week we can go to the lake instead.

Ben: Good idea. The water there is calm and quiet.

Mia: We can take a boat and eat bread and cheese.

Ben: Perfect. In summer the ground there is very dry.

Mia: Then the grass turns brown and yellow.

Ben: Look at that ship! It is enormous.

Mia: It carries cars to another country, I think.

Ben: The captain sees no land for many days.

Mia: Only water and sky. That is a strange life.

Ben: Look at that bird. Its wings are huge!

Mia: It flies well in this wind. Let's go home now.
