Looking for the Keys (A2 · English A2)

Tekst / Transcript

Tom: Anna, I can't find my keys anywhere in this room.

Anna: Look on the table. Your bag is there too.

Tom: I already looked there two times. They are not there.

Anna: Is anybody else at home? Maybe your brother takes them.

Tom: No, anybody is here. My brother works until six.

Anna: Although the room is small, we always lose things here.

Tom: That is true. The sofa eats everything.

Anna: Check your coat. You wear it this morning.

Tom: Good idea. I put my hand in the second pocket now.

Anna: And? Do you feel any metal in there?

Tom: Yes! Here they are. I find them very easily.

Anna: See? You don't need to look for them anymore.

Tom: Thank you. Now we can go to the park.

Anna: Our team plays against the school team at four.

Tom: I know. I want a good seat near the front.

Anna: Then we walk fast. The bus is slow today.

Tom: Fine. I like walking anyway.

Anna: Take some water with you. It is very hot.

Tom: Okay. Let's go now.
