Winter Plans With Friends (A2 · English A2)

Tekst / Transcript

Emma: Hi, Ben. What do you do this weekend?

Ben: I go to the mountain. I want to ski with my sister.

Emma: That sounds fun. Is the snow good now?

Ben: Yes, it is perfect. The little hill is very safe for children.

Emma: My son loves snow. He always wants to jump into it.

Ben: Then bring him. We start early in the morning.

Emma: How do you go there? The train is slow.

Ben: My uncle can drive us in his big car.

Emma: Very kind. What does your uncle do?

Ben: He is a pilot and he flies small planes.

Emma: Wow, that is an interesting job.

Ben: Yes, but he loves the mountain more than the sky.

Emma: My son cannot ski, so he only plays with snowballs.

Ben: That is fine. My sister likes to throw snowballs too.

Emma: Every movement on the snow is difficult for him.

Ben: He learns fast. Children always learn fast.

Emma: I hope so. He also wants to run down the hill.

Ben: Then he needs warm shoes and a hat.

Emma: I have both at home. And a red jacket.

Ben: Perfect. Please raise your hand when you see our car.

Emma: I do that. What time do you come?

Ben: At seven. So you must sleep early tonight.

Emma: Yes, teacher! Good night, Ben.
