Where Are the Keys? (A2 · English A2)

Tekst / Transcript

Sara: Ben, I cannot find my keys. Do you see them?

Ben: No, I do not. Look on your desk.

Sara: I look everywhere, and they are nowhere.

Ben: Do you put them onto the small table sometimes?

Sara: Yes, but the table is empty today.

Ben: Check your jacket and your bag.

Sara: Neither pocket has my keys. They are both empty.

Ben: That is strange. Maybe they are in the car.

Sara: The car is locked, so that is a problem.

Ben: Is a second key necessary for the flat?

Sara: Yes, my mother has one. I can call her.

Ben: What is her phone number?

Sara: I know it by heart. Wait one minute.

Ben: Take your time. We are not in a hurry.

Sara: She does not answer. I try again later.

Ben: We have another option: the shop makes new keys.

Sara: That costs money, but it is not very expensive.

Ben: True. Today is not an ordinary day for you.

Sara: No, it is not! I feel tired already.

Ben: Sit down and drink some tea first.

Sara: Is there tea in the kitchen?

Ben: There is none left, but I have coffee.

Sara: Coffee is perfect. Thank you, Ben.
