# Before the Big Trip (A2 · English A2)

## Tekst / Transcript

**Mia:** Hi, Leo. Are you ready for your trip?

**Leo:** Not yet. I pack my bag tonight.

**Mia:** You always start late. Where do you go?

**Leo:** I fly to Rome. It is my first international trip.

**Mia:** That sounds exciting. How long is the flight?

**Leo:** About three hours. I like short flights.

**Mia:** Do you save money all year for this trip?

**Leo:** Yes, I put ten euros in a box every week.

**Mia:** That is smart. Trips are expensive now.

**Leo:** True. Tickets are twenty percent more expensive this year.

**Mia:** Wow. Do you take the bus to the airport?

**Leo:** Yes, the bus passes my house at six.

**Mia:** Six in the morning is very early.

**Leo:** I know. But I want to sleep on the plane.

**Mia:** Good idea. What do you do in Rome?

**Leo:** My friends perform music in a small theatre.

**Mia:** Are you in the show too?

**Leo:** No, I only watch and take photos.

**Mia:** Nice. Is the weather warm there?

**Leo:** I hope so. Nobody can predict the rain.

**Mia:** Take a small umbrella. It can prevent a wet day.

**Leo:** Good point. I realize now that my umbrella is broken.

**Mia:** Then buy a new one today.

**Leo:** Yes, I go to the shop after lunch.

**Mia:** Have fun, Leo. Send me one photo.

**Leo:** I send you many photos. See you soon.
