A Plan for the Radio Club (A2 · English A2)

Tekst / Transcript

Anna: Hi Tom, do you have five minutes? I want to talk about our radio club.

Tom: Sure. We have a small problem with the microphone again.

Anna: Yes, I know. But I think I have a solution for it.

Tom: Good. Tell me. I like new ideas in the morning.

Anna: We put the microphone near the window. Then your voice sounds clear and warm.

Tom: That is easy. Can we really solve the problem like this?

Anna: I think so. My brother uses the same method at home.

Tom: Okay. And what about the noise from the street?

Anna: Noise is one big factor, but we can close the window.

Tom: Then the room gets hot. We need a plan for that too.

Anna: We can open the door instead. Small steps are fine.

Tom: You always work step by step. I like that.

Anna: Yes, it is a slow process, but it works.

Tom: Our old system for saving the files is bad too.

Anna: I know. Every week we lose one show.

Tom: So we need a new strategy for the whole club.

Anna: Let me write everything on paper tonight.

Tom: Great. And please explain it in a simple manner.

Anna: Of course. I speak slowly, and you take notes.

Tom: I am a very good listener, you know.

Anna: Yes, you are. That word makes sense now.

Tom: Thank you. See you at six in the studio.
