The Noisy Neighbours (A2 · English A2)

Tekst / Transcript

Mia: Good morning, Ben. You look tired today.

Ben: I am. Our new neighbours are very loud at night.

Mia: Oh no. Do they have parties?

Ben: Yes, and their dog barks loudly until midnight.

Mia: That is hard. How do you react when you hear it?

Ben: I put a pillow on my head and wait.

Mia: You are calm. Many people get angry fast.

Ben: Anger does not help. But my patience is small now.

Mia: Do you ever chat with them in the garden?

Ben: Sometimes. We say hello and speak about the weather.

Mia: And how do they appear to you? Are they friendly?

Ben: They seem nice, but the noise never stops.

Mia: Maybe they do not know the problem.

Ben: That is possible. Quiet rules exist in our building.

Mia: Then show them the paper on the door.

Ben: Good idea. I can do it this evening.

Mia: Their behavior can change after one short talk.

Ben: I hope so. I want to sleep eight hours again.

Mia: When do you finish work today?

Ben: At five. Then I go home and cook.

Mia: Take some cake from my kitchen for them.

Ben: Cake is a good start for a happy ending.

Mia: Yes, and children always behave better with cake.

Ben: Thank you, Mia. You give me hope.
