# A Strange Quiet Morning (A2 · English A2)

## Tekst / Transcript

**Lily:** Good morning, Max. You look tired today. Did you sleep badly?

**Max:** Morning, Lily. Yes, a little. I woke up at five and could not sleep again.

**Lily:** That is unusual for you. You always sleep like a stone.

**Max:** I know. Maybe it was the coffee last night. I drank two cups after dinner.

**Lily:** Two cups! No wonder. Do you want your usual breakfast? Bread and cheese?

**Max:** Yes, please. And tea, not coffee. I am done with coffee for a while.

**Lily:** Here you are. Can you reach the sugar for me? It is behind the big cup.

**Max:** Sure, here it is. The kitchen is so quiet this morning.

**Lily:** The children are still in bed. It is Saturday, so they can sleep longer.

**Max:** That is good news for us. We can eat in peace.

**Lily:** By the way, my phone is not working well. The screen is very slow.

**Max:** Did you try the help page? Every user can ask a question there.

**Lily:** I tried, but the answers were too general. They did not help with my problem.

**Max:** Then we can go to the shop later. They will look at it for free.

**Lily:** I hope so. I do not want to buy a new phone this month.

**Max:** I understand. I used to have the same problem with my old computer.

**Lily:** And what did you do?

**Max:** I waited too long, and then it stopped completely. I was really unhappy about it.

**Lily:** Then let's not wait this time. We can walk to the shop after breakfast.

**Max:** Good. The weather is nice, so a short walk will be pleasant.

**Lily:** I will wake the children at ten. They can come with us and choose a cake.

**Max:** Perfect. A cake makes every Saturday better.
